### *Compasión*

(Do you feel me? I suffer with you)

I feel your pain

(Do you feel me? Do you suffer with me? Do you feel my pain?)

We all hurt and need healing (body or spirit)

In some way

### *Compasión*

(Do you feel me? I suffer with you)

Empathy

(Do you feel me? Do you suffer with me? Do you feel my pain?)

When you hear me cry a tear comes to your eye

I see your humanity

I know you know what it's like

*Eso nos hace humanos*

*That's what makes us human*

*Tén compassion*

*Have compassion*

I know you know what it's like

But it takes courage to care

*Tén compassion*

I know you know what it's like

*Eso nos hace humanos*

*That's what makes us human*

*Tén compassion*

*Have compassion*

I know you know what it's like

And that makes it easier to bear

### *Compasión*

[Do you feel me? I suffer with you]

We're fragile souls

[Do you feel me? Do you suffer with me? Do you feel my pain?]

We all know the sting of suffering

How it takes its toll

### *Compasión*

(Do you feel me? I suffer with you)

Apathy

(Do you feel nothing when I'm suffering?)

Don't stand by and turn a blind eye (Speak out for me)

Where's your humanity

I know you know what it's like... *Eso nos hace humanos...*

*Compasión , ten compasión*

*Tantos heridos*

*So many wounded*

*Por mudos testigos*

*By silent bystanders*

*Todos somos seres humanos*

*We are all human beings*

*No somos de palo, necesitamos*

*We're not made of wood, we all need (compassion)*

*Tén valor, pónte de mi lado*

*Have the courage to stand with me*

### *Spanish rap:*

*Los tenemos que tratar con amor y cariño y mucho respeto para tener compasión*

We need to treat each other with love and affection and a lot of respect, so we can have compassion
