Cyber Sniper
Deals in cowardly fare
Talkin' trash, talkin' mean
While you hide behind a screen somewhere

Cyber Sniper
Fires words like a gun
Spreading lies like poison
To destroy someone

Cyber Sniper
Do you feel so weak and small
Do you only feel the power
When you watch somebody fall

Are you bullied on the street
Are you bullied in your home
Do you know just what it's like
To feel humiliated and alone

Names won't hurt you
That's a lie people tell
And you know it's not true
Words can hurt like hell

So think before you speak
To Facebook so-called friends
They may like your nasty text
And turn on you next

Cyber Sniper
Do you feel so weak and small
Do you only feel the power
When you watch somebody fall

Are you bullied on the street
Are you bullied in your home
Do you know just what it's like
To feel humiliated and alone

Cyper Sniper
Karma will catch up with you
Stop spinning cyber lies
Before the hate turns back on you

It's a *Mean Girls* kind of game
Taking pleasure in my pain
Have the courage not to play
Compassion is another way

Have the courage not to play
Compassion is another way

Cyber Sniper
Find another way
