

DON'T TAKE THE BAIT

Somebody's fishin' for a fight
Somebody's lookin' for a fuse to light
Somebody's going to ignite
Somebody's wishin' for time in the lime light

Don't take the bait
Don't get hooked on somebody else's line
Don't take the bait
You've got better things to do with your time
Don't take the bait
There's an ocean of challenges to explore
Don't take the bait
'Cause you know inside you're worth a whole lot more

Somebody's calling me a name
Somebody's teasing 'cause I'm not the same
Somebody's laughin' when I walk
Somebody's makin' fun of how I talk, but I

Don't take the bait
Don't get hooked on someboy else's line
Don't take the bait
I've got better things to do with your time
Don't take the bait
There's an ocean of challenges to explore
Don't take the bait
'Cause I know inside I'm worth a whole lot more

But I know you're lookin' at me
And you're not crazy 'bout what you see
But I've got no interest, I've got no time
To take the bait that's on your line
(I've got a life!)

Somebody's laughin' at my hair
Somebody's dissin' me for what I wear
Somebody's buggin' me at school
Somebody's gotta learn the Golden Rule, cause I

Don't take the bait
Don't get hooked on somebody else's line
Don't take the bait
I've got better things to do with my time
Don't take the bait
There's an ocean of challenges to explore
Don't take the bait
'Cause I know inside I'm worth a whole lot more
